

SCOTSDALE WILL HOLD HALLOWE'EN CELEBRATION 27TH

Business at Meeting Monday Night Decides Against Business Men.

OTHER NEWS OF THE DAY

Special to The Courier.

SCOTSDALE, Oct. 23.—Persons interested in the Halloween celebration, numbering about 100, met at the borough building last evening and discussed plans for the Halloween celebration and considered the merchants petition to change the time from Saturday to some other time. They decided to hold to the original date, Saturday evening, October 27.

Burgess Walter Schaffer presided. Since the business men are not in favor of the celebration on Saturday night it was said that the workingmen who wanted the celebration on this evening would come to the front with the money for the prizes.

The parade will form at 7:30 o'clock at Loucks Park. The chairman of committees will meet tonight and discuss the route and the various details in connection with the celebration.

The officers and chairman of the committees in the organization are: President, Burgess Walter Schaffer; secretary, E. J. Stanyan; treasurer, Harry Laughrey; finance committee, R. K. Gratz; publicity, William Canlin; prizes, Ben Baldwin; music, J. L. Reynolds; parade, T. J. Hill; decorating, E. B. Gindler; public safety, Walter Haines.

Both local bands will be asked to take part in the parade although no prize will be given for either. No feature of a political or religious nature will be allowed in the parade. All organizations of the town are invited to take part.

Pneumonia (Lains Child). Funeral services were held at St. John's Church this afternoon for Eugene Purcell, the five-year-old son of Mr. and Mrs. James Purcell, who died at the family home at East Scottdale of pneumonia. Interment was made in the St. John's Cemetery.

Veteran Dies at Hospital. Hamilton-Maley Post, Veterans of Foreign Wars, had charge this morning of the funeral of Anthony Levandowski, from St. Joseph's Church at Evansburg. Interment was made in the St. Joseph's Cemetery. Mr. Levandowski was 30 years old and single and was the son of Mr. and Mrs. Simon Levandowski of Pittsburg. He died at the Memorial Hospital at Mount Pleasant.

Won Medals for Heroism. Funeral services for Ignatz Gownatki, who had come to this country when the Jintown strike was on and who had resided in Buckeye township for some time and who died there, were very impressive. Mr. Gownatki had served in two European wars, between Germany and France, having won two medals in the years 1871 and 1872.

Lecturer Addresses Rotarians. The Rotary Club at its luncheon yesterday was addressed by Dr. Charles D. Williams on "Impressions of National Parks." Mr. Williams is a noted author and lecturer.

Personal Mention. Mrs. H. S. Piper, wife of the late Rev. Piper, a former resident of Scottdale, is visiting with friends here.

Alverton

ALVERTON, Oct. 23.—Miss Kirk and Mrs. Heron, workers at the Community House at Central, were in Alverton Sunday.

Miss Ida Backerell spent Sunday with friends in Kittanning.

A W. C. T. U. dues social will be held Thursday evening at 7:30 at the home of Miss Sadie Fox. A playlet entitled "W. C. T. U. Neighbors" will be given.

Mr. and Mrs. Harry Kaufman of Hornsboro visited relatives of this place Sunday.

A Halloween party was held by the Y. P. B. Friday evening at the home of Mrs. Catherine Trout. Some of the out of town guests were Ward Brown of Mount Pleasant, Mr. and Mrs. M. Hearnley of Scottdale, James Loucks and Doc Henderson of Hawk-

Mr. and Mrs. Clifford Trout of Bradock spent the week-end at the latter's home in Alverton.

How to Make Pine Cough Syrup at Home

Has no equal for prompt results. Takes just as much to prepare, and serves you about 25.

You know that pine is used in nearly all prescriptions and remedies for coughs. The reason is that pine contains several peculiar elements that have a remarkable effect in soothing and healing the membranes of the throat and chest. Pine is famous for this purpose. Pine and cough syrup are combinations of pine and sugar. The "syrup" part is usually plain sugar syrup. To make the best pine cough remedy that money can buy, mix 2 1/2 ounces of Pine in a pint bottle, and fill up with home-made sugar syrup. Or you can use clarified molasses, honey, or corn syrup. Instead of sugar syrup. Either way, you make a full pint—more than you can buy ready-made for three times the money. It is pure, good and very pleasant—children take it eagerly. You can feel this take hold of a cough or cold in a way that means business. The cough may be dry, hoarse and tight or may be persistently loose from the formation of phlegm. The cause is the same—irritated membranes—and this Pine and Syrup combination will stop it—usually in 24 hours or less. Splendid too, for bronchitis, asthma, hoarseness or any ordinary throat ailment. Pine is a highly concentrated compound of genuine Norway pine extract and is famous the world over for its prompt effect upon coughs. Beware of substitutes. Ask your druggist for "2 1/2 ounces of Pine" with directions, and don't accept anything else. Guaranteed to cure about 25 facts, or more, if needed. The Pine

Women Need Swamp-Root

Thousands of women have kidney and bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble or the result of kidney or bladder disease. If the kidneys are not in a healthy condition they may cause the most serious and chronic diseases.

Pain in the back, headache, loss of ambition, nervousness, are often times symptoms of kidney trouble. Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription obtained at any drug store, may be just the remedy needed to overcome such conditions.

Get a medium or large size bottle immediately from any drug store. However, if you wish first to test the great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper—Advertisement.

Hard Up. "Are you going to spend the summer at the seaside?" "No, I'm afraid I wouldn't enjoy myself."

"Why not?" "I haven't anything to spend except the summer."

Depends on the Turnover. Success in business depends upon each turnover, says an efficiency expert. "Not the early morning turnover. You got to get up."

Suits Meet a Substitute

Polart will make this skirt-and-jacket style in a youthful dress that presents itself as a substitute for the two-piece suit. Fancy braid serves for the novel decoration, which appears in a panel on both skirt and bodice, bands the sleeves and covers the military collar. Moire ribbon is used for ties.

Neckwear Is Important

Part of Woman's Outfit

Neckwear is an important item of the costume, and a heavy stock is displayed by the shops. With every variation and change in the neck line, a collar, suitable in shape, is required. The ultra smart gown has most often to be worn without collars. But there is always a demand for a collar, a ruff or frill of white for the neck. There is one fashioned of a fine fold of organdy which about fits the oval neck, the newest form having a fine frill of lace plaited in points showing from beneath the turned-over outer edge. Narrow plaiting in net, chiffon, mousseline of all-over lace in the back or the cheapest quality, makes it possible to keep the neck of one's frock always fresh and not necessarily at great expense.

Vanity cases are gotten up with the most ingenious completions. For example there is a silver mesh bag which has, as a clasp, a medallion which reveals a powder puff without opening the bag.

"See, this old hairbrush makes a dandy door mat!"

Depends on the Turnover. Success in business depends upon each turnover, says an efficiency expert. "Not the early morning turnover. You got to get up."

TARR MAN WOUNDED BY PICK JAB IN THE BACK DURING FIGHT

Dan Sidro Unable to Appear at Hearing on Liquor Charge as Result.

OTHER NEWS OF THE DAY

Special to The Courier.
MOUNT PLEASANT, Oct. 23.—Joe Melton of Rocktown was held by Justice of the Peace L. S. Rhodes last evening for court under \$1,000 bail. The hearing was the result of a raid conducted Saturday evening by Assistant County Detective M. P. McCutley. A 20-gallon still and three gallons of moonshine were the evidence in the case.
Dan Sidro of Tarr also was to have had a hearing before Justice Rhodes last evening as the result of McCutley's raid on Saturday evening but his son appeared to tell of a quarrel with neighbors in which Dan had been struck in the back with a pick and was unable to be out of bed. It was stated that he had been attacked by four men. At the Sidro home moonshine was found, with evidence of sale. The hearing has been postponed until Friday evening at 7 o'clock when it is thought the man will be able to appear.

Shelburne Stolen.
Sunday night thieves gained entrance to the hardware store of Nils Blomberg and stole five shotguns. Blomberg was made through a window in the back of the store. Last year about this time the Blomberg store was entered and five guns were stolen by boys who hid them under a coal house at the rear of the store, but so far there is no trace of Sunday night's loot.

Mrs. Harkcom Dies.
Mrs. Mary Charlotte Harkcom, 74 years old, died at her home in "The Acre" Sunday. The body was taken to the home of W. J. Harkcom, her son, who is the only surviving member of the family, where funeral services were held at 10 o'clock this morning. Rev. J. D. Gould, who left for a conference at Harrisburg today, preached the funeral service before he left.

Pressed Steel Car Employee Recovers

Rheumatism and Suffering From Other Ailments Relieved by "Dreco," Feels Stronger.

Mr. George Walter, 1221 Magnolia St., the North Side of Pittsburgh, a well known employee of the Pressed Steel Car Company says:

"Years of ceaseless suffering made one morbid and weary of life. How I envied healthy people who I suffered every hour of the day. I had pains in my back that made it agony for me to move. I was thin and always tired, with my cheeks sunken and black rings under my eyes.
"My system clogged by the poisons of constipation was in a bad condition. It was sapped of its strength and health. And I was terribly nervous. Then over so often everything would go black before my eyes. I would reel from dizziness. This only made my condition more unbearable.
"I had no appetite for food. I just sat down to the table and ate because I had to. Then the food that went into my stomach caused terrible pains and doubled me up and blinded me. Now I wish that I could sit down and enjoy a good meal. Well I can now. Dreco has done that for me.
"This wonderful medicine got at the seat of my troubles and wiped them out. All signs of my sufferings have disappeared. I am made over into a better and new person. And believe me from now on, Dreco is going to be my best friend. It surely is mankind's most helpful friend."
Dreco is being specially introduced by Connellville Drug Company and sold by druggists everywhere. Also for sale by Hoffman's Drug Store in Scotland.—Advertisement.

Rheumatic Neuritis

Says His Prescription Completely Banishes All Rheumatic Pain and Twinges—Is Guaranteed.

Deep Seated "Lactic Acid" Deposits Are Dissolved and the Rheumatic Pain Starts to Leave the System Within Twenty-Four Hours.

Every doctor in this county is authorized to give to every rheumatic sufferer that 12 1/2 cent bottle of Allen's, the sure conqueror of rheumatism, does not show the way to stop the agony, reduce swollen joints and drive away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.
Allen's has been tried and has lasted for years and really marvelous results have been accomplished in the most severe cases where the swelling and agony was terrible and pitiful and where the patient was helpless.

Mr. James H. Allen, the discoverer of Allen's, who for many years suffered the tortures of acute rheumatism, describes all sufferers to say that he does not want a cent of anyone's money unless Allen's has been tried and has cured all diseases and has been prescribed by a doctor to guarantee it. A bottle in every instance. Connellville Drug Co. and Union Drug Co. can supply you.—Advertisement.

Vivid Color in Shoes to Stay Through 1924

Color in shoes is a style that manufacturers believe will extend throughout 1924. The shades will continue to be vivid, they think, but the advance styles are likely to have trimmings that will modify the brilliancy of the leather colorings.

Coloration is not a temporary matter, merchants and makers declare, but is here to stay. Black, always a safe color, will prevail as heretofore, that is, it will be more often worn. In point of sales the colored shoes are likely to outnumber the black, for the simple reason that the well-dressed woman buys three pairs of colored shoes to one of black.

Easterners Protest Proposed Merger of Reading and B. & O.

HARRISBURG, Oct. 23.—The proposal to consolidate the Philadelphia

& Reading railroad with the Central Railroad of New Jersey and the Baltimore & Ohio, is being very strenuously protested by commerce bodies and business organizations in the eastern part of the state.

A delegation of city officials of Reading came here to confer with the

State Chamber of Commerce with a view to enlisting that body against the proposed consolidation. The chamber has taken no action further than to appoint a committee to make an inquiry into the plan and scope of the suggested combination of railroads which have been operating for

years under an interchange of traffic agreement whereby the Baltimore & Ohio has obtained entrance into New York City.

NO TAX ON REAL ESTATE,
SAYS SENATOR FISHER

A Vote For the \$10,000,000 Bond
A Vote to Lessen Taxation in Town-

The Hon. John S. Fisher, a leading member of the Pennsylvania House of Representatives, and for years president of the Associated Highway Owners of Pennsylvania, has issued a statement showing that taxpayers in Pennsylvania will actually save money if the \$10,000,000 bond issue is passed.

With this money, said Senator Fisher, the state will build over 1,000 miles of road. This money will not be used to pay the interest on the bond issue, but to pay the principal.

Every year of construction undertaken by the State Highway Department is a benefit to the individual taxpayer. The cost of this work is paid from the taxes paid into the State Treasury.

It is impossible for the State to pay the interest on the bond issue. The interest is paid by the State Highway Department from the taxes paid into the State Treasury.

When the State Highway Department is paid for the interest on the bond issue, the State Treasury is not depleted.

RED CROSS MET TEST IN JAPAN FUND DRIVE

Spirit of Service Demonstrated in Readiness for Nationwide Activity.

When President Coolidge by proclamation designated the American Red Cross as the medium through which contributions for relief of the Japanese earthquake sufferers should flow, the President's desire came as an order to the Red Cross. Immediately the entire machinery of the organization was put in motion and within 24 hours the fund campaign was moving with vigor in every part of the country.

This emergency test demonstrated the poise, readiness of the Red Cross to cope with stupendous tasks in behalf of humanity. Within a month it had collected upwards of \$10,000,000 in contributions, landed ten cargoes of supplies at Japanese ports and was keeping pace with relief requirements—all without a single dollar of the fund being spent for administration.

President Coolidge, in expressing his thanks to the people, said: "When the news of the tragedy in Japan first reached us, the American Red Cross, pursuant to a \$5,000,000, asked the country for \$5,000,000 to meet the great emergency. The answer to this appeal was prompt and generous; in less than two weeks a sum far in excess of the original goal was given."

The work of the Red Cross for Japan is expected to influence a very large enrollment of new recruits during the Roll Call, which starts Armistice Day.

Red Cross First Aid Standards Adopted in Great Industries

First aid in an emergency which requires the injured competent attention until the doctor arrives is making marked headway through the work of the Chapters of the American Red Cross. In populous centers 214 chapters conduct first aid classes and last year awarded 3,500 certificates to students. Many big telephone companies have enlisted their workers in first aid classes, police and fire departments in large cities are making the course compulsory in their training schools, and through colleges and high schools large groups of students receive instruction. The Red Cross also gives this course through Boy Scouts, Girl Scouts, Y. M. C. A. and similar organizations, and its standard methods have been adopted by railroads, electric and gas companies, mines and in the metal industries. The aim of this Red Cross service is to cut down radically the average of 80,000 accidental deaths per year in the United States.

Junior Red Cross Spreads Good Will Throughout World

Nearly 5,000,000 pupils in the schools of America are following the standard of unselfish service as members of the American Junior Red Cross, the annual report of the American Red Cross discloses. This valiant host, as reported in 125,072 school rooms of 14,256 schools throughout the United States. With a service program that is local, national and international in scope, the American Junior Red Cross is working unflinchingly for health and happiness in the promotion of activities among boys and girls wherever there is opportunity for usefulness.

Increased activity on the part of the schools enrolled and deeper recognition by school authorities of the educational value of Junior Red Cross have been significant features of the last year. Carrying on educational and relief work in France, Poland, Austria, Hungary, Yugoslavia, Albania, Bulgaria and Rumania, the American Juniors have influenced the forming of Junior departments in the Red Cross organizations of these countries. American boys and girls wearing the "I Serve" button of the Juniors are proving apt messengers of the spirit of good will and mutual understanding through correspondence with pupils in schools scattered throughout the world. At the close of the school year in June 1,009 schools were engaged in correspondence with a like number of schools in Europe; 284 schools in our insular possessions and Alaska territory carried on an exchange of letters with schools in the United States and South Africa. In fact, nearly 3,700 schools with probably 100,000 pupils were busy in this fine act of cheerful communication while 3,447 articles passed through National Headquarters of the Red Cross in exchanges between the interested pupils here and overseas. An incident of the year's advance was the beginning of activity which will eventually install Junior Red Cross in the Indian schools of the United States.

From every section of the country reports of the tour of the unit of crippled children with their choruses which came from the Bakule school in Prague, Czechoslovakia, to show gratitude to the American Juniors for their assistance declare that nothing since the World War has done so much to awaken the Red Cross spirit in the communities visited by the unit. The work of the American Juniors in foreign fields is emphasized in the advancement of playgrounds, scholarships in farm, trade and other schools, community and school garden work, and donations of cash and equipment to children's organizations. In these projects \$112,660.17 was spent during the last year in ten European countries, in China and in the Virgin Islands.

The insignia of the American Red Cross Life Saving Corps on the bathing apparel of men, women and youths is seen everywhere at favorite bathing places along the coasts, rivers, lakes and ponds. In its unrelenting campaign to reduce loss of life by drowning the Red Cross is making constant headway. The demands for instruction from organizations in all parts of the country were so numerous the past year that it was necessary to more than double the staff of Red Cross instructors. This work of training for water life-saving showed an enrollment of over 80,000 volunteers enlisted for duty on patrol, for rescue and resuscitation, all competent to instruct others in the standard water-safety methods. The Red Cross by request of the War Department gives water first aid training at the United States Military and Naval Academies and in the military training camps for reserve officers and civilians. The four cash prizes awarded by the Red Cross last year for heroic rescues were conferred upon two girls, a boy and a man, indicating that the youths of the country stand well at the top in conserving life along our water courses.

Life Saving Work Of Red Cross Corps Wars on Drownings

It is inconceivable that the Red Cross could have come thus far only to retreat; that it could have succeeded up to the present time only to fail. —President Coolidge.

Liberal to Ex-Servicemen Over \$1,000 was expended by each of the 3,500 American Red Cross Chapters in the past year in behalf of disabled ex-servicemen. The actual total spent was \$2,280,000.

"Our country could secure no higher commendation, no greater place in history, than to have it correctly said that the Red Cross is truly American." —President Coolidge.

SAVED FROM AN OPERATION

Now Recommends Lydia E. Pinkham's Vegetable Compound

Washington, D. C. — "Lydia E. Pinkham's Vegetable Compound saved me from an operation which a physician said I would have to have for a very bad case of female trouble. My system was all run down for two years after my little girl was born. Then I read of your wonderful medicine and decided to try it. I could hardly drag one foot after the other, and after taking six bottles of the Vegetable Compound I felt like a new woman. I now do all my housework, also washing and ironing, and do not know what real trouble is. My health is fine, and I weigh 140 pounds. When I started taking it I weighed 97 pounds. I gladly recommend Lydia E. Pinkham's Vegetable Compound to any one who is suffering from female trouble or is run down. You may use this testimonial for I am only too glad to let suffering women know what the Vegetable Compound did for me." —Mrs. Ida Hewitt, 1829 Penn. Ave. S. E., Washington, D. C.

Such letters from women in every section of this country prove beyond question the merit of Lydia E. Pinkham's Vegetable Compound.

Will Ask Funds for A. E. F. Cemeteries

By United Press. WASHINGTON, Oct. 23.—Congress probably will be asked this winter to provide funds for completing the cemeteries in France where the American soldier died.

Handstones to replace the wooden crosses which now mark the graves will be asked for as part of the plan for permanent beautification of the American cemeteries.

Charles Moore, chairman of the commission of fine arts, who, with Major K. L. Green, in charge of construction work in the permanent American cemeteries, has just finished an inspection of the American cemeteries, reports that all contracts for necessary buildings have been let and progress of the work thus far shows that the results will be satisfactory.

"Everything has been done to bring about a sense of good order, quiet and appropriateness," said Moore. "There is no elaboration and no striving for unusual effects."

"At Suresnes, on the outskirts of Paris, the French government has been especially liberal by placing at the disposal of the cemetery authorities the entire wooded slope leading up to the French post. Most Valerian Surances is designed to be the gem among the American cemeteries because of the large number of American visitors, especially on Decoration Day."

"At Belleau Wood the graves have been arranged in the form of a segment of a circle at the base of the cliff."

"The largest one of the American cemeteries is Remagen. In this cemetery the landscape lends itself to impressive treatment. The main road from the town of Remagen to Verdun runs directly through the cemetery. On one side the graves slope to the crest of the hill."

At Belleau Wood alone, Moore said, more than 25,000 American visitors registered last year, indicating that Americans abroad are making shrines of the final resting places of those of the A. E. F. who fell.

SHERIFF'S ELECTION PROCLAMATION

Whereas, in and by an Act of the General Assembly of the Commonwealth of Pennsylvania, entitled "An Act to regulate the nomination and election of public officers, requiring certain expenses incident thereto to be paid by the several counties, and punishing certain offenses in regard to such election," passed the 26th day of June, A. D., 1895, it is made the duty of the Sheriff of every county within the Commonwealth to give public notice of the General Election.

Now, therefore, in obedience to the requirements of said Act of Assembly, I, I. I. SHAW, High Sheriff of the County of Fayette, do hereby make known and give public notice to the electors of the County of Fayette, that on the Tuesday next following the first Monday of November, being the Sixth day of November, 1923, between the hours of 7 o'clock a. m. and 7 o'clock p. m., a General election will be held in the several Election Districts established by law in said county, at which time they will vote by ballot for the several officers hereinafter named as follows:

LIST OF NOMINATIONS MADE—The names of the candidates on the several tickets as certified by the Commissioners of Fayette County, to be voted for in said county, are as follows:

OFFICERS TO BE ELECTED—Judge of the Superior Court, three persons for County Commissioner, one person for Sheriff, one person for County Controller, one person for Clerk of Courts, one person for Register of Wills, one person for Prothonotary, one person for District Attorney, one person for Director of the Poor, one person for County Coroner, one person for County Treasurer, one person for County Surveyor, one person for Recorder of Deeds.

To vote a straight party ticket, mark a cross (X) in the square, in the first column, opposite the name of the party of your choice.

A cross mark in the square opposite the name of any candidate indicates a vote for that candidate.

To vote for a person whose name is not on the ballot, write or paste his or her name in the blank space provided for that purpose. This shall count as a vote either with or without the cross mark.

To vote for an individual candidate of another party after making a mark in the party square, mark a cross (X) opposite his or her name.

For an office where more than one candidate is to be elected, the voter, after marking in the party square, may divide his or her vote by marking a cross (X) to the right of each candidate for whom he or she desires to vote.

Eligibility of Election Officers

I further give notice that every person, excepting Justices of the Peace, who shall hold any office or appointment of profit or trust, under the government of the United States, or of this State, or any city or incorporated district, whether a commissioned officer or otherwise, a subordinate officer or agent, who is or shall be, employed under the Legislative, Executive or Judicial departments of the State or United States, or any city or incorporated district, and also that every member of Congress or of the State Legislature, and of the select or Common Council of any city, or the Commissioners of any incorporated district, is by law incapable of holding or exercising at the same time the office or appointment of Judge, Inspector, or Clerk of any election of this Commonwealth, and that no Inspector, Judge or other officer of any such election shall be eligible to any office to be then voted for, except that of an election officer.

Qualification of Electors

By Article 3 of the Constitution, the qualifications of electors are prescribed as follows:
Section 1. Every male or female citizen, 21 years of age, possessing the following qualifications, shall be entitled to vote at all elections: First, they shall have been a citizen of the United States at least one month. Second, they shall have resided in the State one year (or if having previously been a qualified elector, or a native born citizen of the State, they shall have removed therefrom and returned there six months) immediately preceding the election. Third, they shall have resided in the election district where they shall offer to vote at least two months immediately preceding the election. Fourth, if 22 years of age and upwards, they shall have paid within two years a State or county tax, which shall have been assessed at least two months and paid at least one month before the election.
Section 5. Electors shall in all

cases, except treason, felony and breach of surety of the peace, be privileged from arrest during their attendance on elections and in going to and returning therefrom.
Section 13. For the purpose of voting no person shall be deemed to have gained a residence by reason of their presence or loss of it by reason of their absence, when employed in the service, either civil or military, of this State, or the United States, nor while engaged in the navigation of the waters of the State or the United States, or on the high seas, nor while a student of any institution of learning, nor while kept in poor house or other asylum at public expense, nor while confined in public prison.
Also, that in the Fourth Section of the Act of Assembly, entitled "An Act relating to elections and for other purposes," approved April 18, 1840, it is enacted that the aforesaid 13th section shall not be so construed as to prevent any military officer or borough officer from serving as Judge, Inspector or Clerk, at any general or

special election of this Commonwealth.
If any person shall prevent or attempt to prevent any officer of any election under the act for holding such elections, or use or threaten any violence to any such officer, or shall interrupt or impede, or interfere with him in the execution of his duty, or shall block up the window, or the avenue to any window, where the same may be holding or shall riotously disturb the peace at such elections, or shall use or practice any intimidating threats, force or violence with design to influence or unduly overawe any election or to prevent them from voting or to restrain the freedom of choice, such person on conviction, shall be fined in any sum not exceeding one hundred dollars, and be imprisoned for any time not less than one month nor more than 12 months, and if it shall be shown the court, when the trial of such offense shall be had, that the person so offending was not a resident of the city, ward, district, or the township

where the said offense was committed, and not entitled to vote therein, then on conviction he shall be sentenced to pay a fine or not less than one hundred nor more than one thousand dollars, and be imprisoned not less than six months nor more than two years.
If any person or persons shall make any bet or wager upon the result of any election within this Commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereto, or by any printed or written advertisement challenge or invite any person or persons to make such a bet or wager, upon conviction thereof they shall forfeit and pay three times the amount offered to be bet.
If any person shall vote at more than one election district or otherwise fraudulently vote more than once on the same day or shall fraudulently fold and deliver to the inspector, two tickets together, with the intent, to legally to vote or advise and procure another to do so, he or they shall on conviction be fined in any sum not

less than fifty nor more than five hundred dollars, and be imprisoned not less than three nor more than 12 months.
If any person not qualified to vote in this Commonwealth agreeably to law (except the sons and daughters of qualified citizens) shall appear at any place of election for the purpose of issuing tickets or influencing citizens, qualified to vote, they shall on conviction forfeit and pay any sum not exceeding one hundred dollars for every such offense, and be imprisoned for any term not exceeding 12 months.
In case the person who shall have received the second highest number of votes for Inspector shall not attend on the day of the election then the person who shall have received second highest number of votes for Judge at the next preceding spring election shall act as Inspector in his or her place and in case the person who shall have received the highest number of votes for Inspector shall not attend, the person elected Judge shall

appoint an Inspector in his or her place, and in case the person elected Judge shall not attend, then the Inspector who received the highest number of votes shall appoint a Judge in his or her place; or if any vacancies shall continue in the board for the space of an hour after the time fixed by law for the opening of the election, the qualified voters of the township, ward or district for which such office shall have been elected present at the place of the election, shall elect one of their number to fill the vacancy.
Given under my hand and seal at my office in Uniontown, Pa., October 22nd, 1923.

Life Behind Prison Bars Looms For Monte Walters' Widow For Aiding "Break"

MRS. LILLIAN WALTERS.
EDDYVILLE, KY.—A charge of murder must be faced by Mrs. Monte Walters, widow of the slain leader of the recent uprising in the Kentucky state penitentiary, in which three convicts, Walters, Harry Ferland and Lawrence Griffith, killed three prison guards. Mrs. Walters has confessed, according to police, that she smuggled the firearms and ammunition to her husband with which the three men held off authorities for three days, barricaded in the dining room of the prison. Walters, dying, scribbled a note to his wife which read, "Love to you, beloved."

'Twas Roots and Herbs Banished Grandfather's Kidney Troubles

In the old days when grandfather or grandmother had backache or any symptoms of kidney or bladder trouble the roots and herbs that hung in the attic were brought down and brewed into a medicine that there wasn't much guesswork about. Many of the herbs and roots used in those days many of us remember: Marshmallow, for example, and Poke root, and Mamarake and Sillifolia. Then there was Broom top and Belladonna leaves and Uva Ursi. Some of the old folks used to favor Couch Grass, Stone root and Hydrangea. Can you go back that far? If you can you'll remember that not so many died of kidney troubles in those days as now. I don't think so. Would it surprise you to know that in Dr. Carey's Marshmallow Prescription 777 that is sold by practically every druggist in America, all those old time herbs and roots are represented? Yes, and eight or ten others. Perhaps that's why Marshmallow Prescription 777 has such a tremendous sale today. Perhaps the old fashioned roots and herbs are best after all. Dr. Carey always thought so and as it was a specialist in diseases of the urinary organs for over 40 years he's reasonable enough to think he ought to know. If you have backache, or moist palms, or puffing eyelids, or specks darting before the eyes you may have kidney trouble and not know it. In that case, Marshmallow Prescription 777 is what you should ask. Collectible Drug Company and Co., New York for a check in three saves also roots and herbs are a good tonic medicine anyway.—Advertisement.

Cancer Becoming Scourge of World

BY LYLE C. WILSON
(United Press Staff Correspondent)
LONDON, Oct. 22.—Cancer is becoming the scourge of the modern world. This mysterious disease, of which less is known than of any other major man-killing ailment, is definitely increasing in prevalence and malignancy. Tuberculosis is declining steadily, according to the report of the chief medical officer of the English Ministry of Health. Other diseases are coming increasingly under the control of medical science. Cancer remains the unknown instrument of death. Dr. Margaret Lucy Holloau, who recently died of cancer, may achieve eternal fame as the instigator of investigation which may result in full understanding of the dread disease. Dr. Holloau spent weary months in bed, slowly dying and perfectly aware of the certain painful and which awaited her. Through it all she daily related to fellow doctors the symptoms of her own case as she observed them. With the notes thus acquired medical science will make a renewed effort to reach a solution of the cancer outgrowth. As long as cancer remains half understood there can be no cure for the thousands of unfortunate who suffer from it. In 40 years the number of cancer deaths per million of population in the British Isles has risen from 520 to 1,215, an increase of more than 140 per cent. The latter figure is for the year 1922. In 1922 the English death rate per thousand from cancer was 96. Accompanying increased cancer there has been a wave of English suicides resulting from despair following cancer diagnosis. The doctor's pronouncement of cancer is a death warrant rolled of the human provisions for quick and painless extinction of life. The following diseases are the six chief causes of death in England. All are decreasing except cancer, which will soon be at the head of the list. The figures represent the number of deaths per thousand of the population. Respiratory diseases, 164; heart or circulation diseases, 157; nervous and sensory diseases, 131; cancer, 96; tuberculosis (all forms), 88; alimentary canal diseases, 52. Cokers Begin Practice For McKeesport Contest

Local Gridblers, Full of New
Pep, Want to Make Clean-
Up of Scottsdale.

MATERIAL IS IMPROVING

Connellsville High School's football squad at last beginning to feel confident of its strength took no lay-off from practice yesterday, a thorough but hustled to Fayette field and enjoyed a snappy workout in preparation for the week's trial which will round out the team for McKeesport. High School held on Saturday.

The Cokers, although defeated Saturday, felt that they completely upset the opposition by holding it to two touchdowns and outplaying the victors on the scrimmage line. (Lattol) had won a game the week previous by a score of 71-0 and seemed hardly probable that a lot of such strength could be held to a low score by the Cokers, who had not uncovered much of this season.

Every game has seen an improvement in the play, however, and the credit must go to all involved in the players and the coaches. With the team getting out the season in good spirits the squad will fight on its toes for the game Saturday.

Wally for the position is becoming known with Smith and Morris both showing good stuff. When "Bud" Edmunds gets into uniform competition is going to be much tighter as the veteran from last season has the weight, strength and determination to land a job.

William is pressing for a place in the backfield and with Kussner's return coming in in good shape, it seems that Coach Larrow will soon again have a wealth of classy substitutes to draw on. A reserve force equal to that in the game is what the Cokers have always needed and the coach is developing this power.

The Cokers met McKeesport Indians, Monaca and Dundee next and stand a fair chance of cleaning up in these games. If the improvement shown with work since the beginning of the season is continued, the Cokers are then next to reports from the Westerners in comparison to a team trying to win. There will be no run away score this year, those who have seen the team play.

UNITY FRATERNITY BOWLING LEAGUE TO BE OPENED TONIGHT

The Unity Fraternity Bowling League will get under way this evening. While no definite plans have been determined upon for rolling these games the season will open at the White front alley. The first games will begin at 7 o'clock. All five teams are scheduled to roll this evening.

One of the teams have adopted names and are still known by numbers. To get the season started each team will roll twice this evening. At the end of the season the three best teams will banquet the two winners.

In the Realm of Sports.
The first pilot of the St. Louis Browns has been signed to manage the Boston Americans next season.

Harry Fresh, although forced to exert himself in a game with the New York Giants at Newark, N. J., last night and was completely exhausted, he is still capable of retaining the middleweight crown.

Joe and My Own American champion and challenger, will meet at Lumbia on November 3 to settle American supremacy on a dirt track.

More Families Own Homes in State

WASHINGTON, Oct. 23.—Pennsylvania was one of eighteen States to show an increase in the percentage of families owning their own homes according to How to Own Your Home, an official handbook just issued for prospective home owners by the Department of Commerce. In 1920 the manual shows the number of families owning their homes increased 11.1 per cent and this increased to 1.5 in 1920. Pennsylvania's home ownership record also led that of the Middle Atlantic group made up of New York, New Jersey and Pennsylvania, the group average being 37.2 families out of 1,000 the ratios show but her average was slightly lower than that for the entire country, with 35.2 families listed as home owners in 1920 out of each 1,000 as against 47.6 out of each 1,000 for the United States.

ECUADOR PINEAPPLES HUGE

They Grow to Weight of Twenty Five Pounds in the Province of Esmeraldas

Ecuador is fast becoming a great fruit growing country and Ecuador's fruit is growing in the Province of Esmeraldas.

The apples grow to a weight of 25 pounds in the Province of Esmeraldas. It is claimed that this is a new record for the size of the apple. A grown in Hawaii and even that is not have very superior and Mexico is there is no place in the world that produces such large and thick skinned seedless oranges.

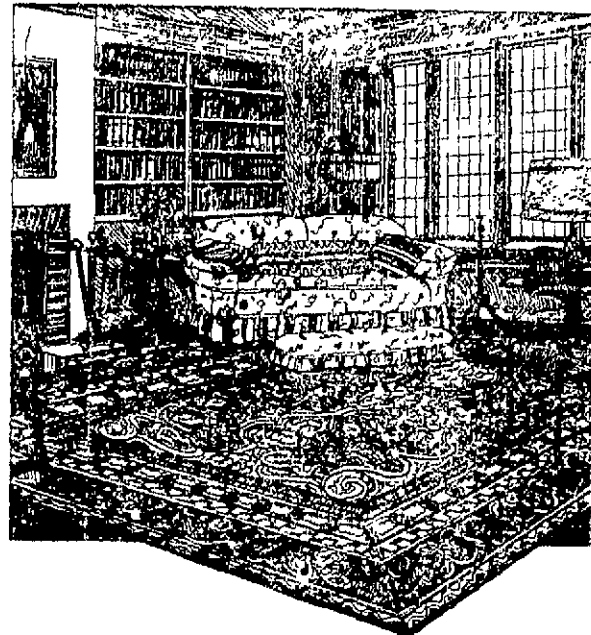

"Indications are that the province has also a considerable wealth in all. There are a great number of oil wells which would find a great production of high quality oil. The character of the oil is higher than the famous Texas oil and it has been produced in the Province of Esmeraldas for many years. It is only recently that modern machinery has been used for drilling with a result that in one month an English company brought in a well of 300 barrels an hour of 35 gravity. These conditions combine to encourage production which is steadily increasing in Esmeraldas.

Yucatan Likes Wheat Bread
Corn tortillas for ages the favorite bread of Yucatan is threatened by a modern competitor. Little baking is done in the homes of Yucatan the eating pan being the standard implement of cooking. The staple but wholesome Mexican tortilla is an article of general diet but wheat bread is now being widely consumed. The wheat bread supply of the entire peninsula of Yucatan originates in bulk and consists principally of bulk sold French loaves. According to a report of O. G. Marsh of Progress about four years ago a progressive Yucatan in opened a modern bakery in Merida equipped with American machinery and using American fresh yeast. This bakery enjoys remarkable success. A great variety of rolls, buns, cakes, etc. baked with baking powder and containing lard and sugar are purchased.

Watkins came in from the office and tossed his hat over on the table.
Hello, Mary, he called.
Mary came from the kitchen to give him her wife's kiss of greeting.
"Here, dearie, I brought you a box of candy tonight," Watkins announced.
Mary was surprised for a moment.
Why, thank you, this isn't our wedding anniversary," she exclaimed.
"And it isn't my birthday—and it isn't. Oh, then, you're courting me again!"
"None," Jim denied emphatically. "I just thought a little something sweet would taste good!"

Bus Law
When they closed the bar on one of the transient lines bound for the land of liberty one of the passengers protested. "Seems like you're closing up awful soon, how far are we from land anyway?"
Just about three miles, answered the steward politely.
"Funny we can't see it!"
"You could if the water were clear enough!"—Los Angeles Times
